

Health, Safety & Environmental Policy Statement

The Port of Belize Ltd is committed to providing a safe, healthy, and environmentally responsible workplace for all employees, contractors, visitors, and the communities in which we operate.

WE WILL:

Protect People – Prevent workplace injuries, illnesses, and incidents through proactive hazard identification, risk assessment, and effective control measures.

Safeguard the Environment – Minimize environmental impact by reducing waste, conserving resources, preventing pollution, and promoting sustainable practices.

Comply with Standards – Meet or exceed all applicable legal, regulatory, and industry requirements related to health, safety, and environmental protection.

Promote Awareness – Provide training, resources, and open communication to ensure everyone understands their role in maintaining a safe and sustainable workplace.

Continually Improve – Regularly review and enhance our HSE performance through monitoring, audits, and feedback.

This policy reflects our belief that all incidents are preventable and that protecting people and the environment is integral to our success. Every individual is empowered and expected to contribute to a culture of safety, responsibility, and care.
